What are the most popular short hairstyles?

Check out this gallery, as we've got a lot of styles to choose from. One of the most popular short haircuts right now is the lixie! Shag hairstyles are back and better than ever! Come check out these excellent textured short hairstyle ideas for that perfect shaggy hair look. Short hair doesn't have to be boring when you're in their 50s.

What are some European short hair trends?

French Bob One of my favourite European short hair trends has to be the French bob. This timeless style is often characterised by sharp ends and a relaxed wave. A wavy fringe also looks super chic with this hairstyle. Add some waves to your hair with this tool from Amika. A texture mist will help give that tousled finish.

Are short hairstyles a good choice for a modern woman?

Look no further - short hairstyles and haircuts are the perfect solution for the modern woman. From edgy pixies to chic bobs, the world of short hair is filled with endless possibilities.

How to choose a short hairstyle?

If you want to stay away from the typical bob hairstyle, opt for boyfriend bobbed hair instead. A shag cut at any length is trendy and iconic. Try it at chin-length if you're looking for a short haircut. When looking for a short hairstyle that gives such a chic and bold statement, you should consider these shaggy pixie mullets.
