Will a Central Asian Secretariat boost cooperation with China?

Foreign ministers of the five Central Asian countries say that parties related have high hopes for the secretariat and will fully support its work. They hoped that the establishment of the secretariat will inject new momentum into the cooperation between Central Asian countries and China.

How can China and Central Asian countries cooperate?

Some agricultural technologies, seed provenance, seed production and other technologies have strong cooperation potential," Zhu said. Another area of growing cooperation between China and Central Asian countries is transport connectivity. Given its location, Central Asia is a key link of the BRI and the China-Europe Railway Express.

Will China's trade cooperation with Central Asian countries rebound?

"Under the support of such cooperation forums and national policies, China's trade cooperation with Central Asian countries will rebound," Ma told the Global Times on Thursday, adding that cross-border transport has seen significant improvement after the adjusted anti-COVID measures.
