No battery change required and powered by light energy, using solar cells with high performance electricity generation. Energy-efficient Solar movement with 6 month power reserve once fully charged.

This men's solar-powered sports watch features both analog hands and a digital screen, offering clear dual display and eliminating battery anxiety for outdoor enthusiasts.

T100 Tritium-Lumed Watches Cheap Tritium Models Under \$200 Tritium Timepieces Under \$500 Top Tritium Divers Watches Worst Tritium-Lumed Timepieces - Isobrite ISO303 Valor Series Black/Yellow T100 Factors to Consider When Choosing A Tritium-Lighted Watch Verdict Tritium timepieces are classified into two types: T25 and T100. The numbers represent the number of millicuries in the watch's tubes. (And don't be alarmed by the word curies; you won't get cancer or be in any danger from these minute amounts of tritium.) When it comes to illuminated watches, the T100 is your greatest bet in terms of brightness. Wh... See more on nanadc
