---

With excellent technical research and development team and advanced production equipment, it has established a good reputation in the solar photovoltaic industry, and its products are exported to ...

LONGi has two main series of solar panels: Hi-MO 4, and Hi-MO 5, which have a variety of different options to suit residential, commercial and utility-scale projects..

LONGi Building-integrated Photovoltaics (BIPV) solution, is a new building form with perfect combination of solar energy and buildings. Products include: LONGi ROOF, LONGi PARK, LONGi BRIGHT, ...

LONGi Solar is the world's leading manufacturer of high-efficiency monocrystalline silicon wafers and PV modules. With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance ...

LONGi Solar offers monocrystalline photovoltaic solar panels, as well as photovoltaic solar panels that can make use of a number of enhancements: bifacial panels, half-cut cells, gallium doping of wafers, ...

Amongst the list of renewable energy sources, solar panels have taken up a prominent position made possible by advanced technology that taps into the sun's power. In this guide, we ...

We Are Mainly Engaged In R& D, Production And Sales Of PV Modules And Lithium Batteries, As Well As Providing Customers With Solutions For Solar Energy Projects. We Also Provide Professional ...

Our field-proven bifacial modules deliver added performance benefits and long-term reliability. LONGi is more than a product supplier, offering project consultation, design, installation, procurement, ...

Leading BC manufacturer LONGi has begun supplying 400 MW of BC modules for Shanghai Electric Power's offshore PV project.

# Longi photovoltaic panel building materials

LONGi BIPV (Building Integrated Photovoltaics) represents the perfect synergy between solar power and architecture, creating a new building standard. Our product portfolio includes the LONGi Hi ...
