Politics of Nicaragua takes place in a framework of a presidential representative democratic republic, whereby the President of Nicaragua is both head of state and head of government, and of a multi ...

This September, I'll be flying to Nicaragua and will be staying there for about a week or more. After that, my plan is to travel by bus through Honduras, El Salvador, and finally Guatemala.

OverviewGovernment and politicsEtymologyHistoryGeographyEconomyDemographicsCulturePolitics of Nicaragua takes place in a framework of a presidential representative democratic republic, whereby the President of Nicaragua is both head of state and head of government, and of a multi-party system. Executive power is exercised by the government. Legislative power is vested in both the government and the national assembly. The judiciary makes up the third branch of government.

I would like to know some basic information about Nicaragua, Nicaraguan characteristics, mentality, culture, and history. Could you tell what is in the core of Nicaraguan national identity?
