Our BESS systems are all-weather suited, with three different cabinet variations to suit any weather environment. With isolated output and online UPS for grid-connected applications, you have access ...

Efficient and Flexible: High-efficiency liquid cooling technology with the temperature difference $\leq 3^{\circ}\text{C}$; Modular design supports parallel connection and easy system expansion.

The Outdoor Cabinet Energy Storage System is a fully integrated solution that combines safe battery storage, intelligent power management, and weatherproof protection for solar and telecom applications.

High Scalability: Modular architecture allows for flexible capacity expansion. Robust Protection: IP54 or higher enclosure rating, resistant to dust, moisture, and extreme temperatures. Excellent Weather ...

The Cabinet offers flexible installation, built-in safety systems, intelligent control, and efficient operation. It features robust lithium iron phosphate (LiFePO₄) batteries with scalable capacities, supporting on ...

With a modular PCS design and front-access outdoor cabinet, it enables reliable power supply, fast deployment, and easy expansion in both on-grid and off-grid scenarios.

The 112kWh outdoor energy storage system offers a robust, weatherproof solution for backup and off-grid power. Designed for flexibility and fast deployment, it's ideal for telecom, remote infrastructure, ...

Outdoor Cabinet BESS CX-CI002 is an all-in-one 215kWh lithium battery storage cabinet system specifically developed for demand regulation, peak shaving, industrial and commercial energy ...

AZE's All-in-One Energy Storage Cabinet & BESS Cabinets offer modular, scalable, and safe energy storage solutions. Featuring lithium-ion batteries, smart BMS, and thermal management, they're ideal ...

Off-grid type integrated energy storage cabinet for weather stations

Available in 232kWh and 261kWh capacities, this system is ideal for use in microgrids, off-grid energy solutions, and hybrid power systems. With advanced liquid-cooling technology, it ensures optimal ...
