This edition of the Canton Fair further emphasised green development principles, highlighting new hydrogen energy themes within the new energy exhibition area while continuously refining the dedicated ...

At this year's Canton Fair, Solarthon Energy Storage showcased its super-large energy storage cell, which became one of the focuses of the exhibition due to its ultra-high energy density and safety.

Join GSL ENERGY at the 137th Canton Fair from April 15-19, 2025, in Guangzhou, China! Visit us at Booth 14.3A05-05 to explore our latest industrial & residential energy storage solutions, including ...

For residential applications, the home energy storage and charging unit employs intelligent, modular design to meet daily energy storage and emergency power needs, empowering households to ...

At this year's Canton Fair, Senergy showcased its latest low-voltage and high-voltage energy storage solutions, which integrates intelligent energy storage inverters with high-performance lithium iron ...

From April 15th to 19th, 2025, Felicitysolar are proudly participating in the 2025 Spring Canton Fair, one of the most significant international trade events.

Discover GSL ENERGY's groundbreaking advancements in energy storage technology at the 137th Canton Fair. Witness our state-of-the-art automated production facilities and rigorous quality ...

This time, Nuuko focused on displaying the latest series of high-power solar panels and photovoltaic storage integrated solutions. The two main high-efficiency solar panels, 595W and 635W, both use N-type TOPCon ...

It operates as a fully integrated platform, linking upstream, midstream, and downstream sectors of the solar photovoltaic (PV) and energy storage industries into one powerful, high-impact marketplace.
