---

There has been a flurry of activity in U.S. trade policy over the past several weeks that will impact a variety of goods imported into the U.S., including solar panel modules, EVs, and...

In its antidumping and countervailing duty petition (the Petition), the Petitioner alleges that the CSPV dumping practices of the Subject Countries undercut domestic manufacturing efforts and materially ...

To empirically investigate the deflection effect of anti-dumping and countervailing (ADCV) measures on China's photovoltaic (PV) exports, this paper adopts a unified interaction regression framework.

The U.S. Department of Commerce (Commerce) determines that, except as noted below, imports of certain crystalline silicon photovoltaic cells, whether or not assembled into modules (solar cells ...

Anti-dumping measures on solar photovoltaic panels and modules - policy from the IEA Policies Database.

We have received a number of inquiries regarding the implications of the new solar panels antidumping (AD) and countervailing duty (CVD) investigations. With the ITC just issuing its affirmative ...

Learn strategies to navigate Antidumping and Countervailing Duties, reduce costs, and maximize your competitive edge in the growing U.S. photovoltaic market.

Commerce announced its final affirmative determinations in the antidumping duty and countervailing duty investigations of crystalline photovoltaic cells.

U.S. Antidumping and Countervailing Duties Information and Resources for U.S. Trade Remedy Laws and Ongoing Proceedings.

Solar cells and products with solar cells manufactured in China which are not subject to this anti-dumping

case must comply with one of the following criteria in order to be excluded.
