Built from a reinforced shipping container, this unit is engineered to house battery systems, inverters, HVAC, fire protection, and monitoring equipment, providing a reliable and modular platform for renewable energy projects.

Whether you're powering a remote village, supporting emergency relief, or operating in hard-to-reach terrain, Uprise brings renewable energy on your terms. From global-ready shipping to fast, single-person setup, ...

Whether you need a compact 100 kWh container or a massive 5 MWh containerized battery, our systems are custom-built to your exact requirements. Scale your storage seamlessly with our modular design.

The Solar Container can be used in a wide range of commercial, industrial, and large-scale solar applications. MEOX Mobile solar container is CE-certified, IP65-rated, resistant to dust, water, Level 8 wind, and ...

Install your box anywhere with a source of water, enough sunlight, and stable soil. *all the hardware fits inside a 6x6 ft shipping container, ready to be deployed. Modules available for customization. Independence from the ...

Elephant Power's Container Energy Storage System offers up to 5 MWh of scalable, weather-resistant energy storage. Ideal for industrial and commercial use, it supports wind and solar energy, reduces grid reliance, ...

Whether you're integrating renewables, stabilizing your operations, or seeking cleaner alternatives to diesel, Enerbond's containerized energy storage solutions are built to meet your needs--today and into ...

The LZY-MS1 Mobile Solar Container is a mobile solar solution based on a ...

The LZY-MS1 Mobile Solar Container is a mobile solar solution based on a standard container design, equipped with core components such as high-efficiency solar panels, storage batteries and inverters inside, ...

Rural Mobile Energy Storage Container Wind-Resistant Type

MOBIPOWER hybrid clean power containers combine battery energy storage systems with off-grid solar containers for remote industrial sites in Canada & USA.

We design and sell foldable and unfoldable solar trailers, quiet, with no maintenance, non polluting, adjustable & orientable and 20-foot maritim containers including vertical aluminium sliding and foldable solar systems.
