We specialize in solar panels and solar systems. KF Solar Tech Group Corp. is a professional manufacturer and supplier of high performance 355w monocrystalline solar panels.

The Longi 355 is a 355W solar panel that has a 120 cell, monocrystalline, half-cut technology and It has a 35mm lightweight frame that is resilient enough to withstand 5400Pa load and 25mm hailstones at ...

At a 355 Watt power rating, this PowerXT(TM) solar panel is one of the highest power rated 60 cell PV modules available in the industry. The Solaria PowerXT 355R-PD solar panel is ideal for residential ...

This full black solar module is engineered with high-efficiency PERC solar cells with half-cut technology. Result in higher performance than full cell photovoltaic solar panels.

355 Watt Sunpower solar panel with 17.2% efficiency, Poly cell, 25 year warranty. Get quote from nearest installer!

355 Watt Mono Solar Panel - Solaria PowerXT-355R-PD, \$0.84/watt, 40mm Black Frame, Black Backsheet, BOB, Power Tolerance STC -0/+3, 60 cell High efficiency rating 19.68%. See SolarMax ...

In this article, you will find a piece of very detailed information about 355 Watt solar panels that will help you determine whether these highly efficient modules are the right choice for ...

LG NeON[®]; R (LG355Q1K-V5) is powerful new solar product with world-class performance. Employing a new electrode-free cell structure on the front of the panel, LG NeON[®]; R maximizes the utilization of ...

Take charge of your electricity with LG355N1C-V5. This residential solar panel is part of the NeON[®]; 2 series and is our best selling panel for home use.

Single photovoltaic panel 355

We'll custom design this system for you and calculate how many solar panels you need to meet your goals. The LG NeON 2 is LG's best selling solar module, and is one of the most powerful and ...
