Provide access to clean, safe and sustainable energy with the Spark Solar Kit. Every Solar Kit is part of a complete ecosystem consisting of the products, our PayGo integrated Spark portal and on-site ...

At Spark, we help families, communities and businesses shine brighter with solar power. Our systems are easy and affordable and will help you grow in life and work, no matter where you live.

At Spark Energy, we are driven to provide best-in-class customer service and support. Call us now to enroll, renew, product change or just to say "hi".

At Spark Energy, we believe the smartest energy is the energy you don't use. Our revolutionary "Reduce Before You Produce" model ensures your home becomes energy efficient first, allowing us to design ...

We provide a knowledgeable, in-house solar engineer for your team. They are the first port of call if you're having technical difficulties, and deliver top-class after sales support.

Solar Inspections, service, and maintenance for your solar assets to deliver long-term performance and peace of mind.

Spark Support We provide our partners with solar engineers on-site to handle aftersales and technical service. We can also train one or more of your employees.

Personalize your solar panel installation journey with ease!
