12,8V/300Ah NG LiFePO4 Battery The Victron Lithium NG series builds on the success of the Lithium Smart series, offering enhanced energy storage solutions with features like individual cell voltage and temperature ...

Lithium battery Smart 12,8V & 25,6V has a longer service life, superior reliability and excellent efficiency. Find a dealer near you.

The Victron Energy NG 12.8V 300Ah Smart LifePO4 Lithium Battery (BAT512130620) from Nomadic Supply Company; builds on the success of the Victron Lithium Smart Battery, with notable advancements that ...

For a high-performance, long-lasting lithium battery that delivers reliable energy storage, choose the Victron LiFePO4 12.8V 300Ah Battery.

The Victron Energy NG 12.8V 300Ah Smart LifePO4 Lithium Battery ...

Highlights: Multiple improvements including added read-out of cell voltages and temp.

Building upon the success of our Lithium Smart Series, the NG (Next Generation) series incorporates significant enhancements.

Victron NG batteries all use an external BMS (Battery Management System). The batteries have full digital communication with the BMS which permits automatic setup, monitoring (voltage, current, temperature, ...

Victron Energy Lithium NG batteries are Lithium Iron Phosphate (LiFePO4 or LFP) batteries available with nominal voltages of 12.8V, 25.6V, and 51.2V in various capacities.

Shop VICTRON Victron Energy LiFePO4 Battery 12.8V/300Ah NG at West Marine. Visit for prices,

## Victron lifepo4 300ah

With 300Ah of capacity and advanced LiFePO4 chemistry, this battery is designed to power the most demanding off-grid setups and extended trips. The 300Ah Next Gen offers up to 2500 cycles at 80% depth of
